

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW MEXICO

FILED
U.S. DISTRICT COURT
DISTRICT OF NEW MEXICO
2009 AUG -7 AM 10:27
CLERK-LAS CRUCES

UNITED STATES OF AMERICA,

Plaintiff,

v.

SERGIO GIRON-ESPINOSA,

Defendant.

Case No. - 09MJ1983

**AMENDED
ORDER TOLLING SPEEDY TRIAL COMPUTATION**

The Court having reviewed the foregoing document with the defendant in open Court now finds that the ends of justice served by allowing the request to toll the speedy indictment computation outweigh the interest of the defendant and the public in a speedy indictment. The Court expressly finds that the public's interest in a speedy Indictment is outweighed by the (1) the public's interest in a reasonably expeditious resolution of the case; (2) the public's interest in relieving the burden that would be placed on judicial, prosecutorial, defense, and law enforcement resources if the case proceeded to a preliminary examination and/or a speedy Indictment; and (3) the potential benefit conferred upon the defendant in an expedited resolution of the case.

IT IS THEREFORE, ORDERED, ADJUDGED, and DECREED that a period of time not to exceed one hundred-five (105) days is hereby excluded from the computation of a speedy Indictment pursuant to 18 U.S.C. § 3161(h)(7)(A).
